MENU + ORDER FORM

AUTUMN 2019

WHAT YOU NEED TO KNOW

delivery

Meals will be delivered every **SECOND TUESDAY** between 4 - 6pm.

You have the option of picking from a menu with a number of different options... (and a few 'extras' - bread, soup etc).

There will be **TWO** menus per season that we will rotate fortnightly.

Each season, new menus will be released to reflect the style of food we eat in that weather, produce available and even meals that you let us know you wish to see again.

Deliveries will be made in reusable cooler bags (with a frozen gel pack) that we will exchange with you when we bring your next delivery (and pick up your next order form at the same time). If you aren't at home, we'll send you a text to let you know we have delivered.

Please leave cooler bags/order form outside if not at home.

We are delivering within a 10km radius of the Mudgee Clock Tower. If you live outside of this, deliveries can be made to a designated drop-off area in town.
